

## Chalk Gallery Guest Artist Information

Thank you for your inquiry about being a guest artist at Chalk Gallery.

As a guest artist you would be invited to exhibit with us for one of our exhibitions, which last for 9 weeks, except the Christmas hang which is 7 weeks.

You would benefit from the accompanying publicity which would include a page on our website with a link to your own website if you wish, and inclusion in our email newsletter which is sent every three weeks. It's a great opportunity to increase awareness of your work, as well as offering it for sale. There is also the option to put up pieces on the online shop.

There is a £200 fee, a £50 non-returnable deposit to secure your place, and the £150 balance, which is due 4 weeks before the hang. 20% commission will be taken on all sales. Any sold work can be replaced with something new. The shorter Christmas hang costs £180 plus 20% sales commission.

The wall space for 2D artists is approximately 1m wide by 1.5m high, plus 4 items in our browsers and some space for cards.

For 3D artists we have space for 5 or 6 pieces depending on size. Three small pieces could be counted as a cluster of one.

We only exhibit original, framed works on the walls, but limited edition prints are permitted in the browsers, (as well as originals), mounted and presentation wrapped. You can also sell cards of your work and display your business cards.

A guest artist is not expected to have any involvement in the running of the gallery, nor to spend any time manning the gallery.

Sue Collins is the contact for Guest Artists and arranges the schedule. If you would like to apply, please contact us at [submissions.chalkgallery@outlook.com](mailto:submissions.chalkgallery@outlook.com) with;

- • 6-8 web-ready jpg images (approx 500KB) of the type of work you would like to exhibit at Chalk
- • a CV/artist statement
- • a link to your website and social media platforms
- • please include title, medium, dimensions and price for each submitted piece.

We like to meet artists prior to the hang for an informal discussion in the gallery and to discuss presentation. We follow the latest government COVID-19 secure guidelines to keep our artists and visitors safe.
